Zeppelin Museum: Kunst trifft Technik am Ufer des Bodensees

Das Zeppelin Museum Friedrichshafen macht Innovationen in Technik und Kunst multimedial erlebbar und lädt Besucher*innen zum interaktiven Dialog ein. Interdisziplinär, diskursiv, partizipativ und inklusiv widmet es sich historischen, gegenwärtigen und zukünftigen gesellschaftlichen Prozessen und Fragestellungen.

Zeppelin Museum: Art meets Technology, on the Shores of Lake Constance

The Zeppelin Museum Friedrichshafen offers a multimedia experience of innovations in technology and art, and invites visitors to engage in an interactive dialog. Interdisciplinary, discursive, participatory and inclusive, it is dedicated to historical, current and future social developments and debates.
